“ Melissa (MO), I can't believe that you're gone, but I know u are not hurting anymore and for that I'm thankful.. We wanted your healing to be here while you was on earth but I guess God had other plans and gave u your healing when he called u home with him yesterday.. we had alot of great times together and I will cherish and hold on to those moments for the rest of my life .. I love you so much and will tell your children of the good times we had together.. I love you my beautiful cousin.. Now spread your beautiful wings and fly high and soar across the sky. You are free my love. Rest In Peace and Love and we will see each other again someday..

“ *Melissa was such a wonderful mom. No matter what life threw at her, she was always positive and doing everything she could for her children. I was blessed to have had two of her children in class. The world lost a beautiful soul. Prayers for peace and comfort for her family.*
