“ Oh my goodness where do I start. I met Mike when I first moved to Neosho, I knew I had a friend for life. He was such a beautiful man with a heart of gold.He would go out of his own way to make sure you had everything you needed. If you didn't then he would drop everything and take you where ever you needed. Even though I haven't seen him in years, he was always on my mind and in my heart.

R.I.P. My Sweet Friend. I will always love you and I will Miss you until I take my last breath.

“ I remember uncle Mike always breaking my cigarets!!! And my husband remembers a time when they were sitting outside of Grammy's house together talking about things. Uncle Mike gave him some advice on how to get back in the house to sleep next to me. Because uncle Mike & my Mike were not allowed in the house at the time. Probably because as Everyone knows Uncle Mike liked to rile up Our Grammy!!!! That's what he was famous for in Colorado!!!! And knowing Uncle Mike he was probably famous for that all over the world. Or at least places he visited..... I love you Uncle Mike & never will forget you. Someday we'll all be reunited together again. All of us!!!

“ *Michael was a very passionate man. His love went very deep for his family and friends. He would "be there" if or when you ever needed him and he would usually bring his sense of humor with him and try to get you to smile or laugh. Even if it was inconvenient, he would still come to help you out while he was being rushed, frustrated or not feeling well.*

He was also passionate about his likes & dislikes. He loved the Broncos football team. For his birthday, his family tried to get him Bronco tickets vs. the Chiefs but they were sold out. He would have loved it! He loved rock & roll music and knew so much about it! You couldn't beat him in music trivia. He was good at games and loved to play. I played pool/billiards on a league for years and he would beat me in a game and not have played in months but it was great fun! He loved to laugh, have fun, and play on the floor, first with his kids when they were little, his nieces & nephews when they were in town, and then with his grandkids. We all miss him already.

*Love and miss you,
Marilyn Cary, sister.*

“ Into your hands, O merciful Savior, we commend your servant Michael. Acknowledge, we humbly beseech you, a sheep of your own fold, a lamb of your own flock, a sinner of your own redeeming. Receive him into the arms of your mercy, into the blessed rest of everlasting peace, and into the glorious company of the saints in light. Amen.

May his soul and the souls of all the departed, through the mercy of God, rest in peace. Amen.

"Come to me, all you who labor and are burdened, and I will give you rest."

Mike, you were an awesome cousin. I will miss you warm smiles and embracing hugs. You always had a way a making me feel good.

Love you, cousin Cookie

Worked with Mike for several years at Sunbeam. Was friends with him outside of work also. Had wonderful conversations with him, many laughs, haven't seen him since I moved away. Guess will have to wait awhile to see him now. He was a considerate man and a good person to be friends with, our children grew up together. Thoughts and condolences to his family. The world is a lesser place in his passing. RIP Mike. Rest well.
