“ When I 1st came to Miami 22 yrs ago, I knew nobody except my hubby. Then, I was blessed enough to ride to auction after auction after auction :) with Mike Pittman & my hubby who worked an auction every chance they could. While we didn't remain friends thru the yrs, I will always remember his kindness to me on those long auction nights. I am lucky enough to know his sweet daughter Missy as well. I will pray for the Pittman family. May God wrap his comforting arms around y'all!! So sorry for your loss!
