“ *Michael is in my earliest childhood memories growing up on P street. He was in all my twin sister and I's adventures. We loved Michael. We still laugh at the trouble we got into and the shenanigans we always got into. I remember the love he had for his mom and respect he had for his dad when we were young. That's the Michael I have always remembered and always will. Praying peace and comfort over his family.*

*With love,
The Jenkins Twins ❤️*
