“ *Michele was a very sweet woman and always had a big smile. I have known her throughout the years, but really got to know her when she was getting ready to retire from teaching. She had such a passion for teaching and I know it was very hard for her to retire. She loved her students and always made learning fun for them in her classroom. Many thoughts and prayers going out to her family at this time. Michele Levo, you will be greatly missed!*

“ *Mrs Levo was my favorite teacher from elementary school she was my 4th grade teacher and there are so many memories that i still have of her she alwas always happy when she came to school and if you were upset or in a bad mood she would do something funny or say something funny. The last time I saw her was when she was helping with stixz a dance group at the first united Methodists church. She was still the same person I rememberd when I was littler. My love goes out to the family she was a great role model. Love you guys*

“ Mrs Levo was the first teacher I ever met at Rockdale. My brother and I rode our bikes up to school to play on the playground right before school started for the year and I wrecked on the way. Mrs Levo brought me into her classroom which she was setting up and cleaned me up and put on my band aids. :). I was 7 at the time so I just remember being hurt and scared at the time but she made it all better. When I was in her class she would come to our softball games occasionally and was always just a fun great teacher. I remember learning French and can still remember random phrases. :). She will be missed!

“ Mrs. Levo was my 4th grade teacher at Rockdale. I am so saddened to hear this news, and my thoughts go out to her family. I hope that it can be a small comfort to know that she truly made a huge impact on both the students and community. She was a lovely woman, and someone who always focused on both the well being and the educational understanding of her students. When I think of her now, I believe that she was a person driven to nurture others. I received much help and a few hugs from Mrs. Levo my 4th grade year. Please know she was loved by her many students and the community. She was a special person. I'm so sorry for the huge loss her family must feel. Please know that she was loved and touched many through her acts of service over the years.

“ Mrs Levo taught all 3 of our children and they all have fond memories of her. She could be strict when necessary (our son Zach) but she was always loving, fun, and supportive.

“ My name is Rev. Cassie S. Tritthart-Alkire. I was in Mrs. Levo's 4th grade class during the 1992-1993 school year. My older sister had her as her 4th grade teacher too. I will never forget Mrs. Levo standing behind me and realizing the music teacher was wiping off the chalkboard. Since Mrs. Levo was not done with that information, she let out a shrill scream to stop. I just melted into tears. I thought there had to be a catastrophic life or death emergency but no emergency, just the chalkboard.

“ Just want to say how sorry I am at Mick's passing. Will miss our chats when working in the yard, when she was out walking. We shared school jokes, and jested about who got to go on summer vacation first. Happy times! I'm really going to miss her. Our heart goes out to you and Chelsea. We're here for you 😔
