“ Nana,  
Judd and I will miss you each and every day and always know that we loved you so very much. We have wonderful memories of you to hold onto and we were very blessed to have had you in our lives. Our family was much more complete with you in it. May you now walk with the angels and keep them smiling with your humor. Rest in peace until we all meet again. All our love to you, Judd and Sherry

*Oh Nancy...know that the world is a better place because of you! You will always be the best neighbor a person could have. Life was brutal to you and you kicked it right back. Thank you for showing me a strength I didn't have that only you got me to see. I will miss you and will get over you not calling me...with all my love and sympathy may God keep you comfortable in his loving arms...without pain!  
Aloha and Mahalo forever. Until we meet again. Malama Pono.*
