“ *I came to know Nan through my neighbor Pat Siebert in Peoria, Arizona. Nan, Buddy and Doretta came to visit Pat many times over the years and we enjoyed some lovely afternoons visiting. Nan was always so cheery and sweet, I cannot remember her uttering an unkind word ever... such a loving soul! I want to express my most sincere sympathy to Buddy, Doretta and the rest of the family in Oklahoma. May you find peace in your many lovely memories with Nan. May she rest in peace.*

“ Dear Buddy and family,
I am so sorry to hear of Nan's passing. Way back in high school and at St Phillip Neri, we were close friends along with Kay Hartley and Arlene Cardoni. I enjoyed looking at all the pictures of your beautiful family. Please accept my deepest condolences.

“ Nan was a true friend to our family. We have so many wonderful memories of the times we all spent together - camping trips to Texoma and Colorado, pinochle games, and our two families simply enjoying being together. There is a huge sadness in our hearts.

“ Nan was such a thoughtful sweet person. I enjoyed knowing her through a business I worked for. When I retired, she made me a bag from their business and I still use it and think of her every time!! My sympathy goes out to her wonderful family.

“ I have known Nan and Clark since 1980 in Gunnison, Colorado and in all those years I have hardly ever seen Nan in a bad mood or even frown. She had the greatest laugh in the world and was always game for anything work or fun. She will be sorely missed by those of us who knew and loved her.

“ Ms.Nan,
I will miss your sweet smiling face so much. Every time you would come in to the shop, looking for someone to "Let you borrow some glue" to fix your shoe, your trinket, or whatever was broken to get glued, you always brought a glow to the room. I always knew there would be some tears shed at Christmas time when you and Clark were given your Christmas gifts from the employees, You always spoke from your heart, and that is one of the many gifts you had. I am a better person by having known you! You raised some pretty special kids, that I love and admire, I see so much of you in them. They were very lucky to have you there beside them. I will miss you so much Nan, thank you for loving me just like I am.. I know you are singing with your birds. What a Special Angel that was received into heaven.. Good bye for now, but I will see you later.
Love you,
Dorothy

“ Nan was one of the sweetest individuals I have had the pleasure to know. Always had a smile, and would help you with anything. Loved her family and was so proud of the grandchildren. While we will miss her dearly here on earth, God has welcomed a lovely Angel up in Heaven. Praying for her family. Karen Painter

“ I will miss Nan so much in our water exercise class. She was always so sweet and full of joy. She noticed the strap on my bag was broken, she offered to take it home with her and fix it. She brought it back stronger and better than ever. Thank you, Nan, for all of the smiles and friendship. You will be missed by many. Rest in the arms of Jesus with no more sickness. May your family be comforted. Your memory lives on in my heart.
