“ Share a memory... I have so many of my aunt but I'll share a special one.

When I was 11 years old, my family took the best summer vacation ever. We were going to drive cross country from Oklahoma to California to go visit my aunt and uncle. My daddy had bought a new red Volvo and it was our first car with air conditioning. Plans were made, we picked up my Grandma (my dad's and Raymond's mom who didn't drive), and the car was packed. We got up early one morning, piled into the car and off we went. We stopped at every attraction and tourist trap along the way! I loved the Grand Canyon.

After 1500 miles and over 21 hours in the car, we arrive! We went to Disneyland, Knott's Berry Farm and Seaworld! I saw the ocean for the first time and rode in my uncle's dune buggy! We went to Tiquana, Mexico (my uncles idea) which was scary! And on July 20, 1969, we stood out on their patio, looking up at the sky, marveling that 2 men had landed on the moon. On the trip home, we would go to Las Vegas and take a tour inside Hoover Dam.

I've never had any desire to go back and retrace that vacation. It was innocence... It was magical... It was perfect.

Within a few years, Raymond and Naomi moved back to start their family. We would lose Grandma. I would start my family. I'm so happy that my girls have memories of my wonderful aunt. The circle of life...

Mendy, Mark and Jason, I'm so sorry about your sweet momma. Hold your memories close in your heart. May you feel God's comfort in the time ahead. You are in our thoughts and prayers.

“ Aunt Naomi, my mom, and myself were headed to Kansas City. As we approached the city of Osawatomie mom told Aunt Naomi (in a joking way) if she didn't straighten up we were going to drop her off at the Osawatomie State Hospital. The disagreement was on. I told them both if the didn't straighten up I was going to drop both of them off at the Osawatomie State Hospital. We got the biggest laugh out of that the rest of the way to Kansas City. Good memories of a very special lady.

“ I met Naomi right after Wayne & I got married in 1975 and we would go to the laundry place on Steve Owens next door to Otter stop.....Mendy would be running around in her cute little outfits and her long curly pig tails.....so cute. Naomi was a sweet, loving, funny woman and I am proud to be able to call her my friend.
