I bet she is I watching over heaven fishing and taking breaks to watching bull riding! Condolences to the family for your loss. We were blessed to know Peggy

“ To Aunt Peg's grandkids. We will always miss the fish fries, and numerous pans of fried chicken and Jambalaya. Of course there was always enough to feed the army, which I did appreciate because I got to bring some home. Loved the memories of cooking in the restaurant, waiting tables and running up and down the hill to fuel the boats. The boat rides, skiing with your mom. I am so thankful of having Uncle Jack, Aunt Peg and your folks in my life. And again all the wonderful memories of the lake. Hang onto all the precious memories you have, and never forget them. You know she is enjoying the family reunion in heaven. Going to miss calling and talking to her and sharing about the Lord, and all you kids. God bless you all and love you bunches.

“ To all of Aunt Peg's grandkids and Marion, we are so sad Aunt Peg won't be with us here on earth anymore, but some thankful she is now with her Lord. I could fill a book with my memories; she was very special to me and I cherish those memories. I am also sadden that we won't be able to attend the Service. We had committed to keep the grandkids while our son and daughter-in-law are on a trip and will also have some little ones while their Dad is in the hospital. If there is any way we can make either the funeral or the graveside service, we will; but it doesn't seem possible right now! We will be with you in thought, though!
