“ We were saddened to learn of Newana’s death. Newana was a beautiful sweet lady inside and out. She had such a sweet smile and a sweet spirit within her. She was always so kind, loving and compassionate to everyone. The first time I met her she smiled, hugged me and talked to me like we had known each other for years. She loved her family so much and was so proud of each of you. She always would talk about each of your accomplishments. She loved to watch Lonnie coach football at Ft. Gibson. My two boys, Erik and Brett played for him and they were her boys too. She would hug them after the games and make them feel so special. I have fond memories of your mother and I know you do too. I will never forget one trip to Louisiana when she sprayed me with a water hose at Lonnie and Kim’s house. She felt so bad and was so embarrassed for getting me wet. We laughed each time we saw each other. Treasure those precious memories. She lived a good long life and will be missed. Newana was a great example of God’s love; she showed compassion and was there to help everyone. She left a great legacy for the family to follow. Rejoice in knowing, we will see her again someday. The Holuby Family would like to express our deepest sympathy and prayers to the family.
