“ My cousin Kathy and I spent a lot of time together as kids. She was three years older so I looked up to her and, with her sense of humor and joking nature, she had a lot of fun with me--the little kid who would do anything she said. One of the best was when she talked me into wearing my underwear over my pants and then she laughed and laughed as she paraded me through the house for everyone to see. I was embarrassed then but it is one of my favorite memories as an adult...classic Kathy! She was always ready with a smile, a laugh and a "funny" to make everyone else laugh as well. I am so sorry to hear that she will not be here to pass on that love and laughter to James, Jamie and her grandkids anymore but I'm sure they will have a guardian angel smiling on them forever. Love you cuz!

“ At the age of 13, my big brother married the love of his life. Kathy accepted our large family and instantly had many siblings. Her humor and love was shared for the last 39+ years. I will always remember her joking and laughter which she loved to do both. She had a sparkle that few people are blessed with. She was a strong influence for me to go with a business degree. She loved her family and friends. I will miss you my sister and hope you are enjoying your stroll on the streets of gold. Prayers for James, Jamie, Kirk, Blake and Brett. I love you all.

I had the pleasure of having her as a teacher at vo-tech back in 84-85. She was such an awesome person and liked by everyone around her. I'm sorry to hear of your loss and may God bless your days and ease your pain.

“ *Our family extends our sympathy to William & Dorothy Walker, James Branham, and Kirk & Jamie Williams at Kathy's passing. We remember Kathy as a friendly, welcoming neighbor when we first moved to our farm in 1983. Several of our kids worked with her in the greenhouse business that she & James owned back then. She was so kind to all of them and they remember her fondly. We are praying for your peace and comfort during this difficult time.*

I had Kathy as a teacher at VoTech in 83-84. We got to do a week trip to Atlanta and she made it so much fun! I ran into her at a Mt Olive school event a few years ago and it was such a joy to see her! So sorry for your loss. I'm sure she'll be greatly missed.
