“ *My beautiful sister. God gave us 7 yrs together for a reason. Not a long time, but was long enough for me to see how beautiful you were inside and out. I loved you the moment I found out about you, and that love grew more than anyone will ever know. Sending prayers to the family, and lots of love and hugs. You will always be in my heart and I thank God daily for letting us meet, talk, text and most of all laugh and love each other. Until we meet again..RIP*
