Pat (Wilson) Grubb was my best friend in high school and after we graduated. She married and I went into the Navy so we lost track of each other until I retired . We kept planning to meet up and have a meal, but life gets busy and we just didn't. I regret that now.How painful to think my best friend is now gone. God bless the family and you all are in my prayers. I will miss my rning buddy. Rest well my friend, you've earned it.

I loved Pat. I met her when she called and asked me to clean for her in the 80s. Then she became our financial advisor when I went to work at WM in 2000. She was such a good friend. Always kind, funny, always asked about my granddaughters. She will be sorely missed. She will never be forgotten. She left heart prints on my heart. ❤️ R.I.P. Pat.
