“ *Oh the memories of my BFF big sister. Living next door as a child, growing up as teenagers and seeing her pride in me as an adult. I can hear the voice so clear. You girls settle down and go to sleep. Tamma Rae it's time to come home. She was so much to all of us. Always a smile and a laugh.*

“ Prayers to the family of Patricia. She and I had so much fun growing up in Dearing. We went to grade school and high school together. She was my best friend when we were younger. She was 3 days younger than me. I love her a lot. She had the best personality. She might have been small but she was mighty.

“ I went to grade school with Pat. We stayed in contact during highschool, We reconnected thru facebook, Pat was full of wit..I loved reading her posts. I wish we had been able to visit face to face. I know she will be truly missed..Not only by those of us who just sent notes once in a while, but by her family..and her close friends..My prayers go to her family for healing during this time. All of us from Dearing have a lot of memories of Pat..I am so sorry for this loss..
