“ So sorry for the delayed response, but I just now became of Patrick's death through the MSSU Crossroads magazine. He was a student in my Spring 2011 Oral Communication class, and I thoroughly enjoyed his presence. He started out a little quiet and reserved, but soon his terrific personality emerged and he became a class favorite.--Chad Stebbins

“ I was Patrick’s ex-wife. We had our differences but he was the most amazing father to my beautiful daughter, Emma. Her loss is truly devastating. Never has a father been more patient, considerate and full of love. He raised our daughter to be full of confidence and grace and for that I will forever miss him and honor him to our girl.

“ I remember meeting Patrick at a very young age. I watched him grow up over the years. He was always happy with a great sense of humor. He loved talking politics as of recent years. He was a loving father to his children and a loving son. He loved his family more than anything. He had a way of making people feel included and special. I will always remember him fondly. You will be missed and we will see you in the hereafter. My deepest sympathies to his family and close friends, ❤️
