“ We grew up together, joined the army, attended Basic and Advanced training together. We both served in Germany in the same unit until Pat completed his enlistment. Although we have only crossed paths a few times in the past 45+ years I could not ask for a better friend and more genuine human being. Pat will be missed but will live on in my memories. God Bless, Bob DeLozier

Too many memories to narrow it down, growing up in miami, granny Trask, swimming and fishing in the river, and just hanging with the Ramseys. Sorry you had to leave so soon. M. Delozier

“ Oh Pat, I'll never forget the day that you and Debbie loaded up with my dad and headed to the car auction to buy Rachel her very 1st car.... ya'll came home with that Chevy Torando that wouldn't go in reverse! Here we are 25 years later and Rachel and I still laugh about it.

“ Pat was a great help to his father and mother in law. Jim and DeMaris Gaines, after an accident left them injured. He was very knowledgeable about world events, the music world, and always had a story to tell. He loved his family and enjoyed being Pawpaw. He will be missed.
