“ I am sorry to see that pat has passed. I grew up hunting deer hunting with Pat, I first went coon hunting with Pat, he showed me how to trap. Every opening morning of deer gun season my dad and myself would always go to pats house and he would cook breakfast for us, then we would all go deer hunting. Pat was a Great guy !! R I P Pat

“ My favorite memeory of Pat was when my son went to buy a sheep from Pat. He said he needed to mount his trusty side kick. We thought he probably meant a 4-Wheeler or ATV. He got on his lawnmower and herded those sheep around like a cowboy. It was the best!
