I'm so sorry to hear of Patti passing I wished I would have known sooner I would have liked to attend her services. I know Patti from high school days. She was my girlfriend best friend, Vicki Curlee. We did a lot of running around together. We put a lot of miles the old 1962 Volkswagon bug. As they say those were the days. Her memory will live on I will miss seeing her at Wal Mart. Gary Cavin

“ I will always remember Patti smiling. I met Patti in 1975 when Rex brought her home to meet family. We had many wonderful times. She loved her family. My heart is with Rex and all her family, God bless you and take care of you all.

“ Patti was very kind and she loved her kids and Rex so much. One of my favorite memories can is Patti running after Aaron when he was little, while Tracie was showing me her year books and Rex talking to his Dad at the Lake House. We are forever grateful to have had Patti in our lives!

“ Deeply saddened to learn of cousin Patty's passing. She and I were the only girls of our generation in the family. I cannot be there for the services but she will continue to be in my prayers and thoughts.

“ My heartfelt prayers are with you all. Patti always reminded me of her dad. To me, their mannerisms were similar and they had a sort of quiet sense of humor and kindness about them. She will be missed by all of her friends and she has many. It's a wonderful thing knowing she has received her complete healing after this long fight. But it's hard for those left to live with a hole in their hearts. Go rest high on that mountain sweet lady. You deserve it!
