Madelyn, I'm so sorry to see here about the death of your father. The 24th was the one year anniversary of Lavon's feather and then today is the anniversary of mom's 6 years ago. Grief is is difficult at best. I will be praying for you and the family as you all go through this process. God is our comfort and peace with His promise of our future with Him and them in Heaven. Prayerfully in love, Frances
