What a great tribute to this wonderful couple. Paul was faithful in serving his community by volunteering at the hospital. That is where we got acquainted with him and his lovely wife. Im sure there were other times as they were recognized throughout the community they served for many years. The video and music to honor Paul was very uplifting. Without a doubt, Paul stepped out of this life into eternal bliss. It has been a pleasure knowing such a wonderful Christian man. May Paul's wife and family find peace, comfort and joy in knowing Paul is with Jesus for eternity.
