“ As Kenny Bohannan's little sister I have a lot of remembrances of Paul coming to our home and he would swing me up onto his shoulders, when I was a young child and I always squealed with delight, and that was usually where I remained until he left the house. Everyone in my family, Clyde and Ruby, Jerry, Max, Lynn and I (of course Kenny) loved Paul and his presence ALWAYS brought delight.

On one of my trips back to Afton from Florida, I was hoping to have some Grand Lake catfish to enjoy. Kenny called Paul and I had lots of catfish to cook for the family and enjoy for myself. Somehow, he always made things happen.

He has always had a special place in my heart and I observed first hand of his love for my deceased brother, Kenny. Paul always brought a smile and a laugh to our faces and our hearts. To Kenny, he embodied the scripture of ' a friend who sticketh closer than a brother'. I will never forget that as long as I live. Thank you, Paul.

Rosie and family: thank you for sharing him so that he could bless so many....

May God bless you and comfort you.

“ Rosie and family I am so sorry about Paul's passing. I know there will be difficult times ahead but hope you can find comfort in knowing Paul knew God and that you are supported by family and friends.

Paul was always a part of my families life and my life since I was born. The Williams and Vinyard Families have been connected since childhood weaving in and out over the years - childhood friends, business partners, adult friends and watching the next generations join and grow. Celebrating the good and providing strength in the hard times. Time may have lapsed but when we came together it was as if we were together the previous day. I knew from a young age that if I ever needed anything and my family was not able to help me I could call Paul or go to the garage. In recent years I have been able to enjoy seeing him when I visited my dad Billy Gene. It has been an honor to know Paul and consider him a part of my family. My memories of Paul - Warm, gave great hugs, always smiling, wonderful laugh, would help anyone in need, would tell it to you straight, enjoyed people. This is the way life happens a spark of friendship weaves through the years with times of no contact to times of daily contacts. Happy times, times of strife and times of sorrow. Thank you Paul - I will miss you but hope you are at peace and know how much you were loved by so many. Thank you for being such a big part of my dad's life and journey. Love Suzie

“ *Paul was a larger than life character who always had a smile on his face and an infectious laugh. I have very few childhood memories at the garage that did not include Paul. He was a loyal friend to my dad and his siblings their entire lives and I am grateful for the friendship they shared. I am praying that you are comforted by your memories in the days to come.*

“ Well what can I say other that Paul was one of a kind. Always laughing and teasing. I seemed to be the target of his jokes at family gatherings and while I wouldn't want him to know it, I enjoyed being around him with all our bickering. He was good-hearted and would help anyone who needed it. I will miss him as will all our family. I especially liked his crazy hat he always wore. I called it his Yogi Bear hat. I offered to buy him a new one but he would have nothing of that. Paul lucked out when he married my sweet Rosie and they made quite a team. My deepest sympathy, prayers and love go out to you, Rosie, Joyce, Terry and families. Always remember that I'm here for you. I love you.

To say that Paul was just a friend of mine is a major mis-statement. I loved that rascal. We traveled many a mile back in the Jaycee's days. I am so sorry.
