“ *My heart is saddened hearing of the passing of my friend, Paula. We have been friends for years. I have a picture of her at my wedding at First Christian Church in Commerce. She was a child. Always went to church with her and then worked with her at the hospital. I'm so sorry David and Blake. She loved you both so much. Praying for both of you. God will help you get through this.*

“ I was so very shocked and saddened to hear of Paula’s passing. She was a part of our Medical Records family before it was disbanded, where the atmosphere was fun, and there were always shenanigans going on. 😊 I’ll always cherish our years of working together, and smile at the special memories made. Remembering you all in the difficult days ahead. Will be praying for comfort and peace for you especially, David & Blake. She was so, so proud of her little family, and especially you, Blake. 💛

“ *I didn't know Paul very long, I met her at Church and we were partnered in the nursery. But the short time I did know her was a blessing. She was so loving, kind, funny and beautiful inside and out. She treated me like we had known each other our entire life. I am deeply saddened for your loss. Prayer and love for you all.*
