“ You were the best grandfather I could ever ask for. You raised my dad Perry S. Hauser III and you did a great job at it. I will miss the talks that we had, the Walmart trips when you would babysit me, I'll miss everything. I love you more than you'll ever know. You are a huge influence on the man I am today. I'll always love you and miss you as each day passes by. I love you man, I will see you again one day.

“ I attended school with Perry for many years. He was ornery, teased a bunch, and was a kind-hearted teddy bear. Basically a nice guy. I'll always remember him wearing a cowboy hat & making people laugh. I'm sure he will be missed and now he's upstairs making people laugh. 😊
