“ I just became aware of Phil's death and want to convey my sincerest condolences to the entire family. We had the privilege of having lunch with Bill & his wife, Phil and Judy last year and it is still a precious memory. Phil and I go way back and we had many happy times together, including delivering The Tulsa World in the early morning, caddying at the golf course and so many more. Phil was a true friend and would do anything for anyone in need. He will always be remembered and has left a legacy in Miami that can not be replaced. He was a kind and gentle man.

“ I'm so sad to hear of Phil's passing. Seems I've known the Follis family all my life and they are and were special people to me. Phil's mother was my mother's best friend when they were growing up on their farms. I want to extend my deepest sympathy to all the family - my heart breaks for you. Phil always brought a special presence into a room - always laughing and joking. My thoughts and prayers are with you.

I did some silver and turquoise repair work for Phil many years ago and told him I don't charge friends but he later bought me a beautiful Buck hunting knife that I still have. He was a very generous man who always had a smile and a kind word for everyone.

I spent many days and nights over the years out at the ranch with Derek (his step son). I would classify him as VERY cool, witty and definitely not a push over!!! We knew who was boss out there and he never complained out our "jamming" complete with a drum set in one of the bedrooms. My thoughts to all his family members. He left an impression on me
