“ Leon and family, I am Carolyn Hawkins James. Do you remember me? Phyllis was my best friend through high school. It has been several years since we have had contact since we have not lived around Miami for years. I just want to express my condolences. I was so surprised to hear about her passing. She was still so young. She still had that precious smile she always had. She had such a big heart and loved life so much as we were growing up. I hope and pray that she didn't suffer much before her passing. Just know that you and your children and grandchildren will be in my prayers. May God comfort and give you the strength that you will need to carry on without your dear loved one. Friends in Christ,
Carolyn Hawkins James, Osceola, AR

“ Please know that all concerned are in my thoughts and prayers with Mrs. Phyllis' passing. She was and still is an inspiration to me with the journey she shared. It is evident by all who have commented on Facebook and here that she was a great lady and loved one too. I trust it helps to know that someone so special to many will never be forgotten. We lost an Angel here and Heaven gained one.
