MY

“ Bob, cousin Ramona was a guiding light for me and my family. She shared her love and interest in the tribe at family reunion years ago that got me interested and coming down to Powwow, then annual meeting, then Gathering. Many other family members as well. She lead me to ask what can I do to give back. She will be missed by the nation but never forgotten. Sending prayers for comfort to you and family. Marilyn Young (Janie Harris Sexton granddaughter)
