“ Pam,

I am so sorry for your loss. Reta was such a great mentor to me at the Conservation District Office; as well as a dear friend. There are many wonderful memories that we shared during our days of working together. Some of the things I remember most was her smile and laugh. My thoughts and prayers are with you now and beyond!

“ To Pam and Family,

Our condolences for your loss (and everyone's for that matter). We had the pleasure and good fortune to spend a few nights with her in her house a few years ago. She made us feel completely at home, and welcome. She was special.

“ Pam and Family,

Thinking of you and wishing you comfort in the loss of your mother. Cherish the memories you have of both your parents, they were great people and they loved you so much. You were the light of their life. They always supported you in everything you endeavored. You were blessed to have them as parents.
