“ Mom was a very selfless person . She was happy with anything, it didn't matter the price. She never really had much but she was happy .. She was my very best friend ❤️ There was never a time that I didn't feel loved by her no matter what . I know she's having the time of her life in heaven ❤️🥺

“ I will never forget Rhonda. She always had a smile on her face and was always good for a laugh or two when we was in school together. Rhonda was always quick with a come back for just about anything someone had to say to her. I enjoyed knowing her and her sweet spirit will be in memory forever. I am so very sorry for the loss of this beautiful soul. My heart is broken, but I know she is in a much happier place and free of the worries and troubles that she had on this earth. Fly high Rhonda. Prayers for her family and other friends during this time. I love you my childhood friend.

“ I have so many memories that I would like to share about my wonderful sister but I guess my favorite one was when we were small children we were playing dentist. She got to be the dentist of course since she was older than me. She made me lay down on the bed and she took ahold of my tooth with a pair of pliers and told me to look at the spider on the ceiling (there was no spider) however when I looked up very fast because I hate spiders and was very frightened she started laughing very hard because she succeeded in pulling out my perfectly good tooth! She was very proud of her talent as a dentist.... at least until our mom found out!! My heart is broken and I will forever miss my very special sister.
