“ Dearest Family- my thoughts and prayers are with each of you as you experience the greatest of all losses... She will forever be in our hearts, memories, and lives. She was a great friend, supporter, and loyal person. I enjoyed her in high school and then later when she served as a board member and parent in our school system. She was always fun loving-when your heart is full of sorrow-remember these special times and smile! I know her daddy met her at The Gate. She is at THE Picher Reunion that will never end. I know I will see her again-

*Until then- Kim Grimes Pace*
