“ *It's been a week and I still cant believe you're not here with me. I miss you so much it hurts. I love you with all my heart and I wish we could have had more time together. We were supposed to get married and have our whole lives together but I know that you are in a much better place and I know that you are no longer in pain. I will love you forever and I will cherish our time we had. I will tell our daughter every day how much you loved her and she'll grow up knowing how amazing you were. You will always be with us in spirit and in our hearts. I love you baby,my love,my JJ. Until I see you again,rest peacefully.*
