“ Our thoughts and prayers go out to Karen, Michelle, Mark, and their families. My favorite memories of my uncle Dick are all the stories about his time racing. I found it fascinating. Maybe that's why my father said I had a “lead foot” when it came to my driving. I wanted to go fast like my uncle. Dick will truly be missed by us all. We take comfort in knowing that he is at peace with God and his father, mother, sisters, and other family members who passed on before him. We love you all.
