“ *Dear Glover Family,
So sorry to hear that Glover has passed and I can no longer visit with him, but how wonderful for all the souls who can now see him every day. Now he really will be that ray of sunshine that continues to live in the hearts of all the Glover family. Such a sweetheart and I will miss him and I hope Daddy and he can visit each other now and talk about all the funny things that happened on orange hall. God Bless and thank you for sharing your loved one with me.*
