“ Bob was my first boyfriend when we were in junior high. He asked me out to go to a high school dance and we had such a great time. Fun time together at 4H summer camp at Lake Darling. Even though we had lost touch with each other Bob holds a special place in my heart. My deepest sympathy to his family.

“ I have so many good memories of Bob from growing up around Packwood and one year at Pekin before I moved o Fairfield. We played Little League and Babe Ruth baseball together, as well as basketball, track and football. Bob was always the toughest competitor on the court or field. I suppose in 7th & 8th grades we did manage to annoy our teachers just a bit but they sent us on to high school anyway.

Bob was always game for an adventure. Need a raft to fish the middle of the pond? No problem! Bob would help gather a few boards, a hammer & some nails or rope, and off we would go. When we wanted a few fireworks for the 4th of July, we attempted making our own, but not without complications.

Bob was one of those who made great sacrifice in Vietnam but did not let it deter him from living life on his terms. May you rest in peace now Bob. My thoughts and prayers are with your family and friends.
