“ I just found out about Robert's passing. I went all through school with him and had not seen him in years and years. We actually crossed paths during our 30 year high school reunion and I was so glad to get to see him. We shared many great memories that night and had a blast. He was a wonderful man and will be missed by so many. He is in a wonderful place now and I feel sure that he is dancing with the Angels. My heart and prayers go out to the family. May the love around you help comfort you in the days ahead.

“ The week Robert and friends joined the medicine bow crew in Colorado was an incredible experience. I had the honor of guiding him and witnessed his patience and grit as we worked the mountain when the smoke cleared the whole camp cheered. The ritual that followed was full of congratulations and filled expectations. Rest In Peace old friend sincerely J. W. Maberry

“ My dear, dear friend. You left us too early. Knowing you're in Heaven makes things easier for all of us, however it's still very difficult to have lost such a wonderful friend and good human being. You touched so many lives in so many good ways. It's impossible to know how everyone's life would have been without you being a part of them. I will always be thankful that you invited me to church when we were in third grade and your family picked me up. You helped put me on a path I try hard not to stray from now days. Until we meet again my brother. In Christ, Steve Howell

“ *I'm so sorry to hear about Robert Ray. Please know your family are in my thoughts and prayers at this difficult time. I know Robert was a wonderful son and brother and he was loved very much by you and a ton of friends. He is not suffering now and in such a better place with Jesus and his sweet father.*
