“ Alan and I are so sorry to hear of our friend passing. We have so many good memories of fun times when all of our kids were all small...times at the lake, the Elks club...so many laughs. Ann was a beautiful, smart lady and will be missed by all who knew and loved her. Prayers for your family as you grieve the loss of your dear one.

“ Ann was always so happy and friendly. I always enjoyed visiting with her when Belks was in Miami. I moved away years ago but remember her sweet smile. God bless Pete and the family.

“ Ann was a great lady. She will be missed by many. When she worked at Belks I would bring my daughter in to see her meme Norma Jean Montgomery. Ann would always seem to get her first. I also attended church with her. I worked with Lisa at Tastee Freeze. So sorry for your loss.

“ *Ann was a first cousin to my father, Denny. My grandmother, Virgie Shelton Connely, was a sister to Ann's father. My dad always spoke fondly of the Shelton family. As a boy in the 1940s, he spent a lot of time with them. He knew they had a large family, so he would steal watermelons and put on their front porch. My grandfather, Ralph, would gather up all the pencils he could find and send to the Sheltons because he knew they needed pencils for school. My condolences and prayers are with the family.*

I remember my cousin who was such a beautiful lady inside and out. She never spoke any unkind words about any one she knew. Although we did not get to spend a lot of time together she and Pete will be forever in my heart. God bless you sweetheart you are now other your family in heaven.
