“ I am saddened to have now become aware of Roger's passing. I'm Roger's cousin Eric Ray Ward, my father Benny being his father's younger brother. I recall visiting him as a child and how he always had a smile on his face. I also remember his little girl Becky who my mother would baby sit from time-to-time. Roger was a very good man. I am sorry I found out so late of his passing. Rest in peace. My prayers to his family.

“ Hey Coonrod I know you were a good man. I have fond memories of growing up with you. I know the last few years have been hard for you, for you were a hunter. RIP

“ Donna, we are so sorry to hear about Roger. He was one of a kind. He was one not to mess with but he would do anything in the world for you if you were his friend. We were blessed to know him and you too. Please keep in touch with us.
