“ I loved my little sister so very much. But more than that I aired her! The family she raised, the husband she loved through ups and downs, the unwanted, unloved the uncared for, my sister did it all. And the great strides and changes she made in herself as well. She loved God with all her heart and soul and if ever it can be said of anyone, she was ready to meet Jesus. She wanted to see her beloved husband & dear family members again who had gone on before. I will miss her every day for the rest of my life and know she will be at the gates of heaven waiting to greet me with her beautiful smile and loving embrace.

“ One of the greatest lessons i ever learned from my mama is one of love. My Mama knew the love of Christ and it showed in how freely she gave love to others.
