“ *I am so sorry to hear about Aunt Ruby's passing. I was not able to attend the funeral, I just had back surgery and found out the funeral was today. I hope Mona, Joyce and Doug understand.*

My favorite memory of Aunt Ruby was back in the 80's. Her and uncle Joe always made us kids feel so special when we visited. She had these bath beads that would melt in water, I thought they were so cool. And she didn't care how many I melted, as long as it wasn't the whole container. And her ice tea was the best.
No one made tea like aunt Ruby. She will be missed.
I know she's in heaven with uncle Joe and the rest of the brothers and sisters
Having their own "Wilson family reunion ".
