“ Lois, Sorry we couldn't be there with you in the hour of your distress. We pray that you will be comforted and find peace with in. There are no words that can describe a heart of Gold. In that day of Judgement when the Master comes to recieve his people from the grave then I beleave Samantha will come out feet first facing East, the direction from which the Lord will come. She is a beautiful Bride and when the BrideGroom comes she will have her Lamp trimmed with oil ready to recieve the Master in that day of Salvation. God Bless all that have been graced with her presence. Know this day that Angels do walk as men and when there work is done here on this earth they go up to dwell with the Lord for ever and ever. AMEN

“ Dear Rex, Jennifer, & Family - I can't even begin to say how sorry I am for the loss of Sammy. She was a very beautiful girl, sweet and always smiling when we saw her at the bowling alley. She was a great little bowler, and I know the hurt you are feeling is beyond compare. I am praying peace and comfort over you guys to get through this. We love your family very much and are here if you need anything...even if it's just to talk or pray. Love, Jason & Laura

“ I wish I had the words to take away your pain but I don't. I can and will pray for comfort and strength in the days to come. Sam was a wonderful, kind, loving, smart, and funny young lady. She was always smiling. Sam was beautiful inside and out. I loved her like a sister. For the longest time Logan called her his girlfriend and every time he seen her he'd say, "hey Sam you're hott" she would laugh and say thanks Logan. I will forever miss her smile, her laugh and her sense of humor. Sam you will forever be in my heart.

“ You all are in my thoughts and prayers. "Do not let your hearts be troubled. Trust in God[; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."
