“ Shirley sorry I missed the service. I didn't realize it was today. I so wanted to go. Nice talking to you the other day. I'll be praying for you and your family.

Sandi will be missed. She was such a wonderful person. I remember all the fun we had our two years at NEO. Sandi would come to Miami every weekend and we would drag main. So much fun with her, you, Judy, and Loretta. Love Trish

“ Sandra was the sweetest person. We met a few years ago when Caylee came to visit, and I often heard about all the amazing things she's done and how wonderful of a mom she is. Caylee is a wonderful friend and the sweetest person. I could see she gained so much of that from her mom. I'm so heartbroken for Caylee and the family and am sending all the love and prayers. I admire Sandra so much as a professional and how she helped so many people in her life. But also admire her as a mom, who always shined with so much strength and love for Caylee. We love you all so much and are celebrating Sandra here in KC. Praying that God will be beside you all in strength and love.

“ I worked with Sandi in Lexington. I did a portrait of her daughter before I left and went to work in another county. The portrait was of her daughter praying on a mountain. I know she had so much love for her daughter ❤️. I am sad to hear of her passing. My prayers go out to her family. I will always remember her fondly. ☐☐☐
