“ I had the privilege of meeting and working with Lou at Sue's when I was in high school. She was so beautiful. I'll never forget her telling me to make sure I go to college and get a good job so I never have to depend on anyone. I have thought about these words several times throughout my adult years and career. The world has lost the sweetest soul. Prayers for friends and family.

“ I remember going into Sues Resale Shop and she was always there for years to greet you with a kind smile. She would always chit chat with you and have a laugh. Prayers for her loved ones.

“*Lou and James have been very close friends since the day our family moved to Fairland in 1970. They were always very strong supporters of my FFA program, and very strong supporters of all areas of Fairland school. In her later years, when I would see her, she would always give me a big smile and say something nice about me or the family. We love the Mason family. It was a pleasure to have some of her children and grandchildren in school. JDC*
