“ I'd like to offer our most sincere sympathies to Sheilah's family. I lived 3 houses away from her when we were growing up in Linden, TN. We were really close friends and I wish I had kept better contact with her through the years.

She was a great friend and we loved listening to music, watching tv together, talking about boys. This was the days of the Beatles and the Monkees and we joined fan clubs. Innocent and wonderful times. I was so shocked to hear of Sheilah's passing and it has hit me and my husband pretty hard. We will miss you so much, may you rest in peace Dear Old Friend.

“ I am so thankful for meeting Sheila. She inspired me daily and I loved her Facebook posts. Her love of her family shined thru. I've never met someone with as green a thumb and I did enjoy picking her thoughts on gardening canning and living. What wonderful Alaska pics. Another angel got her wings. Love ya.

*Sheilah was a wonderful friend and co-worker. She often spoke of her sons who were her pride and joy. Later on we were able to keep in contact on Facebook and she was so proud of her sons' children and wives. May God comfort each of you and so sorry for the loss of this dear lady. Linda Orcutt*
