Oh sweet Sherri! I went to school with her and she was the sweetest and when she worked at Walmart I always made sure I went thru her line and she would always ask me if 'he' was with me and I would have to tell her no, not this time and it was a running joke between me and her cause she had the biggest crush on my cuzzin, Mark, and she said her husband even knew it and it was alright!! She will be missed so much! Keep that sweet smile shining sweetie 😊❤️
