“ I haven't seen Sherry in many years but we did chat occasionally online.

*I remember really looking up to Sherry as a little girl. She was the cool older cousin. Wish I had known her better in later years.*

*RIP Cuz*

“ Sherrie lived across the street toward back of our property. She was a great neighbor! We kept an eye on her, & she kept an eye on us! When my Dad was still around, & having big cookouts, she was always invited! She was tons of fun, & had a great sense of humor!! Spent a lot of Mooney's time with her watching OSU games! We are really going to miss her & her dogs!! They were friends with our dogs! Going to miss her FB posts that always made me LOL!!❤️❤️  
❤️ RIP my friend!! 🙏

“ Sherrie was the best big sister a girl could ever have. I always admired her, and aspired to be more like her. She leaves a void that will never be filled. Love you sister.
