“ How saddened my heart is after reading this and seeing my former roommate's beautiful picture. We were roomies in the '50's and had great vacations together to Colorado, and Wyoming, and also to Florida. That was when she and Geriselda Fancher moved from Berryville, AR, to Tulsa, OK. I just sent some pictures from the Florida vacation to Shirley in Ketchum, OK, the last address I had. However they came back to me. My deepest sympathy to Bill, George,Becky and the rest of the family on their loss..

Thank you Gayle, Mom spoke of you so fondly over the years. Dad died five months later, congestive broken heart. The mailbox came down before the property was sold. Her ashes are in Berryville under that pecan tree. May you be healthy and have a lovely Thanksgiving. Beck

“ *A rush of wings
they flutter high
to touch the sun
and kiss the sky
A butterfly
is with us now
No more a caterpillar
upon a leaf
Shirley's with angel wings
A soaring butterfly
with us they sing
