“ I knew Stephanie from grade school at Ward Elementary and we graduated from Cabot High School together. I remember her coming to 16th Section youth group events with us from time to time. She was a beautiful young lady and such a sweetheart. Her smile was one that you cannot forget as it was always so big and genuine. She smiled with her perfect teeth but really it was the way her whole face lit up that I loved. Few people can smile with their eyes! She could! I am so very sorry that she passed from this earth but pray that she finds such peace in the arms of our Heavenly Father. Until we meet again.... All my love and deepest condolences to her precious family.
