“ Mona, I'm so sorry about Beaver's passing. Beaver was 'one of the good ones' and I know you will miss him terribly. He was a kind soul and our high school reunions will never be the same. You will be in my daily prayers, Mona. If I can do anything at all for you, just please let me know.

“ There was never a day that Beaver wasn't at our home. He made us laugh every single moment. My brother Cliff (Goob) and Beaver were always together along with Steve (Ruck). Those 3 were so close. One day Beaver and Goob wanted to play Barbie dolls. Don't know where they got the game! But, Cindy Holt (Tebeck) and I played the game with them for hours. I can still remember it. One of the best memories I have ever had. God bless all the family members and his friends. He was one of a kind and one in a million who will never be forgotten.

“ *Mona, I am so sorry for your loss. You and Beaver have been such great friends over the years. I always enjoyed his stories and love for the OU Sooners. He was also always here right away anytime anything was needed. My deepest sympathy and love to you and your family.*

“ *Scott and I met Mona and Beaver in Hot Springs, AR during spring break about 15 years ago. Being from Oklahoma and not far apart as well as a common love of the Oklahoma Sooners, we became very good friends. We made spring break in Hot Springs with Mona and Beaver an annual event. We loved camping near them. Mona and I would share recipes while Beaver and Scott discussed all things OU Sooners and horse racing. Going to The Ohio Club, the St. Patrick's Day parade and the Rebel Stakes horse race will never be the same without Beaver. We had so much fun. We will miss Beaver ❤️❤️.*

“ Beaver was one of those classmates that always had a smile to go along with his red hair. I remember the first time I saw him with his new copper colored Camaro with white stripes. Made me wonder where did he even find a car like that.

It's probably been one of our class reunions that I last saw Beaver and Mono but they were a great couple. Peace to your entire family Mono.
