“ Steven was so full of life and always smiling
You could always count on Steve to have your back, He loved his family dearly and his Mother there wasn't anything he wouldn't do for her. Stee was the axle that held our family together . Always party with Steve. He loved joke , hunt. I remember him first time to go hunting he laid everything out and was up at 4 ready to go . One time he ran all the way from his house down Cleora to go tell his mom he killed a buck. He was wild and crazy but had a loving heart . I will miss you brother.
