“ Will, Matt and Melissa: I am blessed and honored to have known your mom when I was growing up. She was the beautiful person I hoped to grow up to be like. She had such an energy around her. She loved her children so much too. My prayers are with you during these difficult days and may the happy memories out number the tears. Monica Cox

“ *What a pleasure and joy it was to become friends with Sue Jane when L.D. and I lived in Miami. She had boundless energy, and would help anyone she saw in need, emotionally or physically, as that was just "Sue Jane". Our memories of our times with her we cherish, as they bring smiles, laughter, but now, sadness.. May God comfort her husband David, children and grandchildren as they grieve this remarkable woman.*

*With our sincere sympathy,
L.D. and Peggy Bains*

“ *Will, Matt and Melissa - My condolences on the passing of your mother. I first met your Mom 42 years ago in the kitchen of your house in Miami. What a great lady, full of life and energy – a good sense of humor and a pleasure to be around. Over the years I always loved seeing her and talking to her on a variety of subjects from golf to what great food she was cooking.*

David- My condolences to you for losing your long- time partner in life, you and Sue Jane were a perfect couple and complimented each other in many aspects. She made all the people around her better and will be missed.
