“ My sweet beautiful grandma! You had the biggest heart and was such a kind and gentle soul! She always made sure that all of her grandkids were happy, some of my favorite memories memories of my childhood was when all the cousins would have a sleep over and a few of us would sleep in the living room with her, we would stay up till early in the morning just talking about random stuff, she was someone you could talk to about anything and she wouldn't judge you just give you the best advice and scriptures that would help in whatever you were going through. I love you so much grandma and I'm going to miss you endlessly!! Thank you so much for everything that you've done for me! I hope you know that you touched so many peoples heart! Give everyone in heaven a big hug from us down here! I hope that I can make proud! 🥹📺💕

“ Aunt Nipper was the kindest , most soft spoken person. As children we could talk her into anything, she never could say no to us. We love you Auntie!
